As someone with dry skin,
I love the radiant glow it gives me.
It makes applying makeup
so much more fun!

eksq*****

Among all the ampoules I've tried,
this has **the best absorption**
and leaves my skin
incredibly hydrated.

cook*****

As someone with combination skin,
this ampoule is absolutely essential.
I've lost count of how many bottles I've used.

Proven mild after 1~24 hours of using
Acwell Real Aqua Balancing Ampoule

HOW TO USE

Acwell Real Aqua Balancing Ampoule

Using the dropper, dispense an appropriate amount onto the face. Gently spread across the skin, then tap lightly for better absorption. Its fluid texture ensures smooth application and deeper penetration.
