HOW TO USE

SPECIAL

DAILY

STEP 1. Mask

STEP 2. Toner

STEP 3. Serum

Use the dropper to apply the serum to the skin, then gently spread it over the entire face. Lightly tap until fully absorbed.

* TIP : Apply more layers to areas of concern such as freckles and blemishes to benefit more from the brightening effect.

* The color of the formulation may darken over time due to its high pure vitamin C concentration. This does not mean a defect, so you can use it with confidence.

The positive changes and miracles to your skin, "New Cleanical Solution" give clinical results with clean ingredients.
