

Touch

Every Touch, Ever Glow

Touch Series

Every Touch, Ever Glow

Touch is Dexlevo's innovative meso-ampoule line, crafted to enhance skin radiance and vitality. With a focus on refining skin texture and promoting a smooth, refreshed appearance, Touch addresses concerns such as uneven tone and the natural changes that come with time.

Every Touch, Ever Glow

Liquid PCL

With Dexlevo's innovative technology CESABP, solubilized liquid PCL gives collagen regeneration and enhanced safety

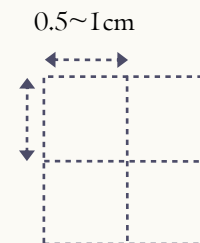

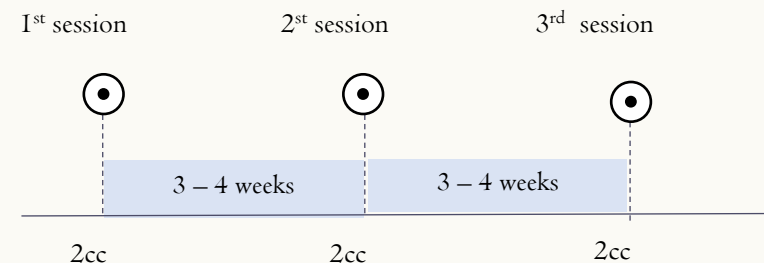

Touch UP

Enhance Skin Vitality

Boosts the natural glow and freshness of the skin, promoting a vibrant complexion by collagenesis.

Improves Skin Texture

Addresses the subtle changes that occur as time passes, smoothens and refines the skin for a more even, revitalized look

1. Cleanse well in lukewarm water.
2. Apply Lidocaine cream to target area.
3. Leave about 10 minutes.
4. Cleanse cream with alcohol cotton.
5. Apply 0.02cc ~ 0.05cc each point evenly to skin.
6. Carefully cleanse skin with alcohol cotton.
7. Evenly apply Post later(treatment) cream to application part.

Every Touch, Ever Glow

Application Volume

5cc

Application Dept

Dermis Layer

Method

MTS Roller or General Meso Treatment

Number of Treatments

6 sessions at 2 weeks interval

Niacinamide, Vitamin C, HA,
3 Biomimetic Peptides, XT80

Touch BR

Anti-Pigmentation

Prevent melanin synthesis to maintain an even skin tone and degrade existing melanosome for a clearer and more radiant complexion

Strong Anti Oxidation

Inhibit the oxidative degradation and improve skin quality while protecting against external harmful factors causing skin damage.

Moisturization

Upregulating the skin hydration and support collagen synthesis for strengthening the skin barrier

Every Touch, Ever Glow

4 Session Combination B&A

The Touch Series combines the surface-level brightening power of Touch BR with the deep collagen-stimulating action of Touch Up.

Together, they deliver comprehensive skin improvement—correcting tone on the outside while revitalizing the structure within.
